

**FORM TO BE COMPLETED TO REQUEST AUTHORIZATION TO CONDUCT MARINE RESEARCH IN WATERS UNDER CHILEAN JURISDICTION**  
**D.S. n° 711, August 22<sup>nd</sup>, 1975**

**INFORMATIONS ABOUT APPLICANT**

Name .....

Occupation.....

Address .....

Nationality.....

**INSTITUTION SPONSORING RESEARCH**

Nombre of Institution or Laboratory.....

Address .....

Does it have a representative in Chile? YES..... NO..... (if yes, give name and address)

Name.....

Address .....

Name of shipping agent .....

**CHARACTERISTICS OF THE VESSEL**

Name..... Type of vessel .....

Length.....m Beam.....m Draft.....m.

Maximum displacement..... Tons Speed ..... Knots

Does it carry airplanes, helicopters or any kind of ROV?.....Number.....

Registration number..... nationality.....

Gross register tonnage.....

Net register tonnage.....

Other data.....

**PARTICIPANTS**

Name of ship's captain.....

Grade or rank.....

Name of Chief Scientist..... Speciality or Field of expertise.....

Institution.....

List of principal scientists

|      | Name  | Field of expertise | Institution |
|------|-------|--------------------|-------------|
| 1 .- | ..... | .....              | .....       |
| 2 .- | ..... | .....              | .....       |
| 3 .- | ..... | .....              | .....       |
| 4 .- | ..... | .....              | .....       |
| 5 .- | ..... | .....              | .....       |

**CHILEAN PARTICIPANT ON FOREIGN VESSELS**

Number of vacancies for chilean scientists.....

Port of embarkation (national or foreign).....

**RESEARCH PROGRAMME**

Principal objectives.....

Chilean research institution with which work is coordinated.....

Area of research.....

Attach chart clearly indicating course of vessel and position of sampling stations.

Observations to be made (list: salinity, temperature, seismic refraction, etc.)

**RESEARCH FINDINGS**

Copy of data to be submitted to the Naval Hydrographic and Oceanographic Service in the form of:

Tape recording..... Punch cards..... Microfilm.....Diagrams.....

Computer..... Print-out..... Other.....

(List).....

**PILOTAGE**

The vessel requires pilotage in:

Mainland ports, from..... to.....  
 Oceanic island, from..... to.....  
 Strait of Magellan, from..... to.....  
 Patagonian channels, from..... to.....  
 Tierra del Fuego channels, from..... to.....  
 Chilean Antarctic Territory, from..... to.....

**PORTS**

Port of origin (last foreign port of call)

First port of call in Chile..... date.....  
 Other ports of call .....date ..... sailing date.....  
 .....date ..... sailing date.....  
 .....date ..... sailing date.....  
 .....date ..... sailing date.....

Port of departure from Chile Arica..... date.....  
 Valparaíso..... date.....  
 Punta Arenas..... date.....  
 Other (list)..... date.....

Length of stay in the maritime zone up to 200 miles under national jurisdiction..... days.

**RADIO TRANSMISSION**

Call signal.....  
 Type of broadcast.....  
 Frequency on which vessel's daily position will be Given.....

## RESEARCH INSTRUMENTS

List all research instruments on board vessel and any other article wich proves that it is a scientific vessel, including details of principal technical specifications

.....  
.....  
.....  
.....  
.....  
.....  
.....  
.....

Name of researcher or P.I. in charge.....  
Signed.....  
Dated.....
